Sean Kennedy, CIO
County Treasurer

April 26, 2010

Honorable Judge Donald R. Pozzi
Victoria County Commissioners' Court

Chapter 2256.023, Local Government Code (The Public Funds Investment Act), requires the investment officer of each local government to submit to its governing body a quarterly report of investment transactions.

The attached report details investments for Victoria County, Citizens Medical Center, and Victoria County Navigation District for the quarter ending March 31, 2010.

The combined portfolios total \$125,663,836.13 and have been managed with an emphasis on safety, liquidity and yield. The portfolio for the quarter is diversified with 50% in cash, 50% in collateralized CD's and a minimal amount in LOGIC Pool, with a combined average interest rate of .8042%.

The Federal Reserve Bank has not changed the Fed Fund Interest rate this quarter. The outlook is for the Fed Fund interest rate to remain stable. CD rates continue to decline. The interest rate received from investments in LOGIC Pool has stabilized. Interest bearing checking accounts at First Victoria earn .45% and investment cash accounts earn .50%

Pledged collateral of bank deposits held by First Victoria Bank is closely monitored, and was above the limits required by our depository contract.

Respectfully submitted,

Sean Kennedy, CIO
Victoria County Treasurer
