Again, welcome. We are pleased you have chosen to become an employee of the County.

Sincerely,

Bejamin Zeller

1.00 GENERAL POLICIES

1.01 AUTHORITY

1.01.01 These policies are established by the Commissioners' Court, the governing body of the County of Victoria (County), and any deletions, amendments, revisions, or additions to the policies must be approved by that body. Oral or written interpretations or clarifications of the policies will only be issued by the Commissioners' Court.

1.01.02 These policies completely replace and supersede any and all personnel policies previously adopted, individually or as a set of policies, by the Commissioners' Court.

1.02 SEVERABILITY

1.02.01 The provisions of these policies are severable, and if any provision or part of the provision is held invalid, illegal, or unenforceable, this will not affect the validity of the remaining provisions or parts of provisions, which will remain in force and effect.

1.03 RESPONSIBILITY FOR IMPLEMENTATION OF PERSONNEL POLICIES

1.03.01 The Commissioners' Court of the County, in coordination with Victoria County officials, is responsible for the formulation and administration of personnel policies and procedures.

1.04 PURPOSE

1.04.01 These policies set forth guidelines governing employment in the County and inform employees of the benefits and obligations of employment with the County. These policies have been prepared to provide general information only.

All employees are at will and, as such are free to resign at any time with or without reason. The County, likewise, retains the right to terminate employment at any time with or without reason or notice, regardless of the stated frequency for payment of wages or salary (per month, per year etc). No action to the contrary will be binding on the County unless placed in writing and formally approved by the Commissioners' Court. Nothing in these policies is intended to be nor should be construed as a guarantee that employment will be continued for any period of time.

1.05 APPLICABILITY OF PERSONNEL POLICIES

1.05.01 These personnel policies apply equally to all employees of the County unless a class of employees is specifically exempt by these policies or by written agreement with the County.

1.05.02 In cases where federal or state laws or regulations supersede local policy for specific groups of employees, such laws or regulations will substitute for these personnel policies only insofar as necessary for compliance.

1.06 DISSEMINATION OF PERSONNEL POLICIES

1.06.01 The Commissioners' Court maintains the official set of personnel policies with all revisions for reference by employees. Each employee will be given a complete set or access to a complete set on the first day of employment. A copy of amendments, revisions or new policies will be provided to employees through the distribution of paychecks. In addition, each department head will maintain a complete set and copies of subsequent revisions. Notwithstanding anything to the contrary, if a question arises about a particular policy, the official set of policies maintained by the Commissioners' Court will control.

1.06.02 Every employee is required to sign an acknowledgment of receipt of these policies. Employees are required to read, or have read to them, this manual carefully and to adhere to the rules and regulations stated.

1.07 EQUAL EMPLOYMENT OPPORTUNITY

1.07.01 It is the policy of the County to prohibit discrimination against any person in job structuring, recruitment, examination, selection, appointment, placement, training, upward mobility, discipline, or any other aspect of personnel administration based on race, age, religion, color, disability, national origin, or gender.

1.07.02 The County will make reasonable accommodation for qualified individuals with known disabilities unless doing so would result in an undue hardship. This policy governs all aspects of employment, including selection, job assignment, compensation, discipline, termination, and access to benefits and training.

1.07.03 The County prohibits retaliation or discrimination against any employee for reporting an unlawful or discriminatory employment practice, or for participating in an investigation of an allegation of discrimination. Employees with questions or concerns about discrimination in the workplace are encouraged to bring these issues to the attention of their supervisor or Director of Administrative Services. Anyone found to be engaging in unlawful discrimination will be subject to disciplinary action, including termination of employment

1.08 HARASSMENT

1.08.01 The County prohibits any form of harassment in the work place. It is the County's intent to comply with Title VII of the Civil Rights Act of 1964. The Civil Rights Act of 1991, as amended, and guidelines issued by the Equal Employment Opportunity Commission (EEOC) concerning discrimination based on sex or gender. Harassment includes many forms of offensive behavior. Harassment is conduct focused on a person or group of persons including, physical or verbal abuse, and unwelcome activity of a sexual nature, retaliation, as well as any behavior or action which interferes with an individual's ability to perform assignments or which creates a hostile or intimidating environment. All employees are expected to comply with this policy; failure to do so will result in disciplinary action up to and including immediate termination.

1.08.02 The following, though not all-inclusive, is a list of various types of harassment:

1. Verbal Abuse - any language that degrades or berates others, including, but not limited to, racial, religious, or sexual comments, jokes, sexual innuendoes, or threats of any kind.
2. Physical Abuse - includes touching, hitting, slamming, throwing, kicking or threatening another person, including restraining by force or blocking the path of another.

3. Interference or Hostile Environment - any behavior or action which interferes with an employee's ability to perform work assignments or which results in or creates a hostile or intimidating work environment.
4. Sexual Harassment - Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, or other physical or verbal conduct of a sexual nature when:
 - (1) submission to or rejection of such conduct by an individual is made either explicitly or implicitly as a term or condition of an individual's employment.
 - (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
 - (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.
5. Retaliation - any adverse action or threat of adverse action taken or made because an individual has exercised or attempted to exercise any rights under state or federal employment laws or under the policies of the County.

1.08.03 Any employee who feels they have been or are being harassed should immediately inform the harasser that the conduct is unwelcome, must stop immediately and must not be repeated. If the harassment continues the employee should immediately notify their supervisor or their department head.

All complaints of harassment shall be in writing. If, for any reason, the employee feels that reporting the harassment to the supervisor or department head may not be the best course of action, the report should be made to the County Judge or another member of the Commissioners' Court or the Director of Administrative Services. The failure to file a written report shall be strong evidence that no sexual harassment has occurred.

1.08.04 All written reports of harassment will be treated seriously. As much as possible, confidentiality will be maintained with respect to the harassment complaint and only those who need to know about such complaint will be advised of its existence. No employee will be subject to any form of retaliation or discipline for reporting a valid harassment complaint.

1.08.05 The department head or official to whom a claim has been reported will be responsible for seeing that prompt action is taken to investigate the claim. Once the investigation is complete, the employee making the claim will be notified of any actions which are to be taken.

1.08.06 Conduct or actions which arise out of a personal or social relationship and that are not intended to have a discriminatory employment effect will not be viewed as harassment.

1.08.07 Reporting or failing to report claims in accordance with the procedures given in this policy will in no way limit other legal recourse an employee may have in regard to harassment charges.

1.09 PERSONS WITH DISABILITIES

1.09.01 It is the policy of the County to make its employment application process, employee activities, working environment, employee benefits, employee training, and employee advancement process accessible to disabled persons and to make reasonable accommodations to a qualified individual with a disability who is an applicant or employee unless that accommodation will place an undue hardship on the County operations.

1.10 CHANGES TO THESE POLICIES AND EMPLOYEE SUGGESTIONS

1.10.01 These personnel policies will be amended or revised, or new policies will be added, at any time, with or without notice, upon the approval of the Commissioners' Court. A copy of amendments, revisions or new policies will be provided to employees.

1.10.02 Employees are encouraged to make constructive suggestions for improvement in these policies. Any employee who wishes to suggest a personnel policy change shall submit his or her suggestion(s) to the department head who may forward the information to the Commissioners' Court along with the reasons for requesting the change. Employees are responsible for maintaining current knowledge and understanding of all personnel policy changes and for requesting clarification or assistance when needed.

5.06.01 Lateral transfers may be made within the same department or among departments, if a vacant position is available and the employee is qualified and able to perform the essential functions of the position, with or without reasonable accommodation. Lateral transfers among departments are made through the coordinated efforts and approval of the department heads.

5.07 DEMOTIONS

5.07.01 A demotion is a change in duty assignment of an employee to a lower job title which may result in a pay reduction. Demotions may be made at the employee's request to occupy a less responsible position, as a reasonable accommodation for an employee with a disability, as a disciplinary measure because of unsatisfactory performance in a higher position, or as a result of a reduction in force, or for no reason at all.

5.08 APPROVING AUTHORITY

5.08.01 The Commissioners' Court is the approving authority for all payrolls and for any pay increases, decreases, or payroll transfers granted under the terms of these policies and the annual budget.

6.00 WORK SCHEDULE AND TIME REPORTING

6.01 WORKWEEK AND WORK HOURS

6.01.01 The official work period for most County employees is a seven-day period beginning at 12:01 a.m. on Saturday and ending at 12:00 midnight on the following Friday. Normal working hours will be determined by the department head. However, normal working hours may be altered by special events such as noon and/or evening meetings, conferences, holidays, etc.

6.01.02 Some County personnel work a 28-day work period. The work period begins on Saturday at 6:01 a.m. to Saturday at 6:00 a.m. for four weeks. Employees scheduled to a 28-day work period are notified by the department head. Earned leave and pay will be calculated on this cycle.

6.01.03 Employees are expected to report punctually for duty at the beginning of each assigned workday and to work the full work period established.

6.01.04 The Commissioners' Court determines the number of hours worked by an employee for the compensation to be received subject to laws governing pay and working hours and to the provisions of the budget.

6.02 SCHEDULE ADJUSTMENTS

6.02.01 Adjustments to the normal hours of operation may be made by the department head in order to better serve the public.

6.02.02 Offices may remain open during the noon hour, and lunch periods for some employees may be staggered according to specified requirements.

6.03 OVERTIME WORKED

6.03.01 The policy of the County is to keep overtime to a minimum. However, employees may be required to provide services in addition to normal hours or on weekends or holidays. Overtime is defined as hours worked in excess of the allowable number of hours under the Fair Labor Standards Act (FLSA): (40 hours per seven-day workweek or 171 hours for employees on a 28-day work period schedule). Under the FLSA, overtime applies only to employees who are not exempt from the Act's overtime provisions.

6.03.02 For employees with positions which are covered by the overtime provisions of the FLSA (non-exempt) overtime begins to accrue with the 41st hour worked during the seven-day workweek or 172nd worked hour during the 28-day work period. All overtime for services by employees covered under FLSA must be authorized in advance by the employee's department head.

6.04 EXEMPTIONS FROM FLSA (OVERTIME COMPENSATION)

6.04.01 Elected officials, department heads (unless otherwise determined by the Commissioners' Court) and any positions determined by law and authorized by the department head, are exempt from the overtime provisions of the Fair Labor Standards Act (FLSA) and are expected to render necessary and reasonable overtime services with no additional compensation.

6.04.02 Exempt employees do not earn overtime leave or pay, except in cases of emergencies or disaster as declared and reimbursed by Federal, State or County government and/or if reimbursed by a grant. When a state of emergency or disaster is declared or overtime is authorized by grant funds, exempt employees may earn overtime for services rendered for Victoria County related to the declared emergency or grant or in other circumstances when authorized by Commissioners' Court. Overtime will be compensated in the same manner as non-exempt employees (6.05.01).

6.05 OVERTIME COMPENSATION

6.05.01 Non-exempt employees are compensated for overtime worked by being given (in order of use):

1. Flex time or equal time off within the same work period (40 hour or 28 day work periods as described in Section 6.01) See section 6.08.03 for proper reporting; or

2. Compensatory time off at one and one-half times the number of hours worked up to a maximum number of hours which may be accrued (240 compensatory hours for employees scheduled on a 40 hour work week or 480 compensatory hours for employees scheduled on a 28-day work period);
3. If specifically authorized by the department head and authorized by the Commissioners' Court, payment at the rate of one and one-half times the employee's regular hourly rate; or
4. Compensatory time in excess of these limits will be paid at the employee's regular, straight-time rate of pay during the next pay period as authorized by the Commissioners' Court.

6.05.02 The County discourages time and one-half payment for overtime, which may be authorized only if adequate funds are available in the budget. In addition, the County discourages the accumulation of compensatory time off for non-exempt employees at one and one-half times the number of hours worked because of the contingent liability this creates for the County. The preferable method for overtime compensation is to schedule equal time off for the affected employee during the same work period in which the overtime was worked.

6.06 HOLIDAYS WORKED

6.06.01 The County's basic policy is that each regular employee receives a specified number of paid holidays per year, as set forth in these policies. In most instances, if a regular employee is required to work on a scheduled holiday, he or she will be given an alternate day off, preferably within the same workweek or work period. Employees designated as public safety accrue holiday hours during the year. (See "Work During Holidays - Section 9.03 for a more detailed discussion of this policy.)

Unused holiday hours are canceled upon termination of employment, without compensation to the employee.

6.07 LEAVE OR HOLIDAYS TAKEN AND OVERTIME

6.07.01 If a full time employee who is subject to the overtime provisions of FLSA is required to work extra hours during a workweek in which he or she has used leave or holiday, the release time will not be counted towards the calculation of hours worked for overtime purposes, the leave or holiday time should be flexed in accordance with Section 6.05.01. Leave time may be counted towards hours worked for overtime purposes in the event of an emergency (safety or security) as determined by the department head.

Compensatory time taken may not be counted towards the calculation of hours worked.

For hours worked, as defined in the previous paragraph, over 40 hours during the workweek or 171 for 28-day work periods, the employee will be compensated in the order stated in Section 6.05.01.

6.08 TIME REPORTING

6.08.01 Employees will keep records of all hours worked and released time taken and, where appropriate, hours credited to particular projects. Forms and a system for this purpose are provided by the County.

6.08.02 Time records are completed by the employee and authorized by the department head. Time worked should be recorded each day in order to maintain an accurate and comprehensive record of the actual time worked.

The paycheck for each pay period will not be generated if a time record completed by the employee and authorized by the official or department head is not submitted to the County Treasurer's office by 10:00 a.m. the first working day following the end of the pay period. A paycheck for this pay period will be generated during the next scheduled pay period after the time record is received.

6.08.03 Flex time or equal time off in the same work period may result in changes to the time record.

7.00 BENEFITS

7.01 MEDICAL, LIFE, AND DENTAL INSURANCE

7.01.01 In accordance with the general procedures approved by the Commissioners' Court regular employees who work a minimum of 30 hours per week are eligible for group medical, life, and dental insurance. Premiums for the employee will be partially paid by the County; if the employee elects group medical, life and dental insurance coverage, the balance of the premium due from the employee will be paid through payroll deduction. An eligible employee may add dependent coverage at his/her expense and such dependent coverage premium expense will be paid by the employee through payroll deduction.

7.01.02 Upon employment, each employee who is eligible for insurance coverage is given detailed information about the County's insurance programs. See the section on Continuation of Insurance for information on continued coverage after certain status changes.

7.01.03 Employees who retire in accordance with the provisions of the Texas County and District Retirement System, (including disability retirement), and were covered under group benefits plan(s) in effect at the time of retirement, are eligible to retain certain health and related benefits coverage(s). Benefits are provided to retirees subject to the policy (ices) and plan(s) in force. Retirees eligible for Medicare may be offered alternative coverage(s) at the discretion of the Commissioners' Court.

7.01.04 Retirees who elect to continue coverage under group health benefit plan(s) are required to keep current their portion of the monthly premium. Premiums are due the first day of each month with a minimum 30-day grace period. If premiums are not paid on the first day of the month or before the 30-day grace period, the coverage will be canceled. The County is not obligated to send monthly premium notices.

7.02 RETIREMENT PLAN

7.02.01 In accordance with the general procedures approved by the Commissioners' Court of the County, all regular employees who work at least 900 hours per year must become members of the Texas County and District Retirement System (TCDRS).

Contributions are made through a payroll deduction of an amount of the employee's gross salary determined by the Commissioners Court. Contributions are deducted before income taxes are withheld, under Section 414 of the Internal Revenue Code.

The County makes a similar contribution on your behalf. All contributions earn interest each year.

All contributions made by the employee or the County to the TCERS are subject to the rules and regulations adopted by the TCERS. Additional and specific information is available in the TCERS Information Handbook. Copies are available in the Administrative Services Department.

7.03 WORKERS' COMPENSATION

7.03.01 Employees of the County are covered by the workers' compensation insurance program and the County pays the premium. Detailed information about workers' compensation benefits is found in the section on Health and Safety.

7.04 SOCIAL SECURITY

7.04.01 All employees of the County are covered by social security. The County contributes one-half of the social security system requirement on behalf of each employee.

7.05 UNEMPLOYMENT INSURANCE

7.05.01 All employees of the County are covered under the Texas unemployment compensation insurance program, and the County pays for this benefit. This program provides payments for unemployed workers in certain circumstances.

7.06 LEAVE TIME

7.06.01 Regular County employees are eligible for holidays and/or paid time off and other types of release time under certain circumstances. Detailed information about leave and other types of release time is found in the sections of this manual under the main headings Leave Time and Holidays.

7.07 LONGEVITY

7.07.01 Regular employees are eligible for longevity pay. Longevity is provided to regular full time employees at a rate determined by the Commissioners' Court for each full month of continuous service. Regular part time employees, who work a minimum of 20 hours but fewer than 40 hours per week, receive one-half of the rate of a regular full time employee for each full month of continuous service. Longevity is normally paid on the first Friday in December of each year or a date established by the Commissioners' Court.

- Employees on an approved leave of absence will not receive longevity benefits for the months on leave of absence. (Section 8.09)
- Employees who terminate employment with the County prior to the last pay period in November will not receive longevity.
- A temporary employee will not receive longevity. If a temporary employee becomes a regular employee, the longevity benefit will be calculated from the day the employment became regular.

7.08 SECTION 125/CAFETERIA PLAN

7.08.01 The County provides employees a "cafeteria plan" at the employee's option. The employee can choose to direct a portion of their salary to purchase one or more of qualified benefits. Qualified benefits for the County include: unreimbursed medical, dependent care, medical/dental premiums, and orthodontics. Additional information is provided at initial employment and annually thereafter.

7.09 CONTINUATION OF GROUP INSURANCE (COBRA)

7.09.01 The federal Consolidated Omnibus Reconciliation Act of 1985 (COBRA) provides individuals with the option of continuing group health and dental insurance coverage for both the employee and covered dependents, under specified conditions and at the individual's full expense, at such times the insurance would otherwise terminate (termination, death, divorce, age, etc.). The Director of Administrative Services has information regarding the continuation of these benefits.

8.00 LEAVE TIME

8.01 DEFINITIONS

8.01.01 Leave Time – Leave time is time during normal working hours in which an employee does not engage in the performance of job duties. Leave time may be either paid or unpaid.

8.01.02 Holidays - Holidays are days designated by the Commissioners' Court during which County offices are closed on what would otherwise be regular business days. (See the Section Holidays for additional information).

8.01.03 Unauthorized Absence An unauthorized absence is one in which the employee is absent from regular duty without permission of the department head. Employees are not paid for unauthorized absences and such absences are cause for disciplinary action up to and including termination.

8.02 APPROVAL OF LEAVE

8.02.01 All leave taken by County employees must be approved by the employee's department head. All leave taken will be documented on the employee's time record.

8.02.02 The department head is responsible for determining that leave has been accrued and is available for use in the amounts requested by an employee. In addition, the department head is responsible for ensuring that all vacation, compensatory, and sick leave usage is recorded on the time record sent to the county treasurer's office, for payroll purposes.

8.03 PAID TIME OFF

8.03.01 All regular employees are eligible to accrue paid time off. Employees are encouraged to take regular vacations utilizing a portion of their paid time off at least annually.

8.03.02 Paid time off begins to accrue on the first day of employment, is accrued on a bi-weekly basis, and is credited to an employee's account after each 14 day period. Employees who work any part of a pay period will receive the full bi-weekly accrual.

8.03.03 Employees are eligible for paid time off as designated below after the hours have been credited to the employees balance after each 14 day period.

40 Hour Work Week (available after 6 months of continuous service)		
1-4 years	120 Hours	4.62
5-9 years	160 Hours	6.15
10-14 years	200 Hours	7.69

15-19 years	240 Hours	9.23
20 + years	280 Hours	10.77

Public Safety Designations (available after first bi-weekly accrual)

1-4 years	216 Hours	8.31
5-9 years	256 Hours	9.85
10-14 years	296 Hours	11.38
15-19 years	336 Hours	12.92
20 + years	376 Hours	14.46

8.03.04 Temporary employees full time or part time do not earn paid time off. Regular part time employees who work a minimum of 20 hours but fewer than 40 hours per week earn one-half (½) of the accrued leave rate for regular full time employees.

8.03.05 Unused paid time off can be carried over into the next calendar year up to one year's accrual. At the end of each calendar year December 31, any paid time off balance in excess of this maximum is reduced to the maximum without compensation. Pay in lieu of paid time off is not permitted other than upon separation or if authorized by the Commissioners' Court.

8.03.06 When an employee leaves the service of the County, if the employee has completed one year of continued service, he or she will be paid for accrued but unused paid time off. The payment of unused paid time off may not exceed 80 hours. The rate of pay will be determined by the salary rate in effect at the time of separation.

8.03.07 No advance of unearned paid time off will be made for any reason.

8.04 SICK LEAVE RESERVE

8.04.01 An employee with accrued sick leave reserve may use it if the employee is absent from work due to a serious medical situation. Sick Leave Reserve is available after the employee has used 80 hours of paid time off toward a serious medical event. If determined to meet the definition of a serious medical situation, the 80 hours of paid time off will be reinstated to the paid time off balance and the 80 hours will be deducted from the sick leave reserve.

8.04.02 Sick Leave Reserve may be used for the employees own serious medical situation or the serious medical situation of a family member. For purposes of these policies, "family" includes spouse or child or parent.

8.04.03 A serious medical situation is defined as:

1. A health condition lasting more than five consecutive days and requiring continuing treatment.
2. Any period of incapacity due to pregnancy or prenatal care.
3. The adoption of a child.
4. Any period of incapacity due to a chronic, serious health condition that continues over an extended period of time and requires visiting to health care provider.
5. A permanent or long-term condition for which treatment may not be effective, requiring supervision by a health care professional (examples: terminal cancer, Alzheimer's disease, stroke).

8.04.04 The department head will request an employee to furnish, and the employee must provide upon request, written verification by a physician of the illness (verification must be acceptable to the department head) supporting the request for sick leave reserve benefits.

8.04.05 Unused sick leave reserve is canceled upon termination of employment, without compensation to the employee.

8.05 SICK LEAVE POOL

8.05.01 The County has established a policy to provide a sick leave pool, which will enable eligible county employees to voluntarily transfer paid time off earned by the employee to a county sick leave pool and to permit employees to draw time in the event of a catastrophic injury or illness.

Injuries suffered on-the-job in the course of employment are not eligible for consideration of benefits from the sick leave pool. Further information regarding these benefits can be found under Section 10.00 Health and Safety.

Examples of a catastrophic injury or illness include, but are not limited to:

1. Stroke with residual paralyzes or weakness
2. Incapacitating heart attack.
3. Major surgery (hysterectomy, mastectomy, heart bypass, prostate).
4. Cancer
5. Hepatitis, broken hip, car wreck requiring hospitalization.

8.05.02 The Director of Administrative Services is the administrator of the County sick leave pool.

8.05.03 To contribute time to the County sick leave pool, an employee must annually submit an application to the administrator in the form prescribed by the Commissioners' Court.

On approval by the administrator, in a calendar year employees may transfer to the pool not less than eight hours or more than forty hours accrued paid time off. The administrator will credit the pool with the amount of time contributed by the employee and will deduct the same amount of time from the amount to which the employee is entitled, as if the employee has used the time for personal purposes.

8.05.04 Employees are eligible to use time contributed to the County sick leave pool for a catastrophic injury or illness, if they have completed one year of continuous service have used 80 hours of paid time off, compensatory time or leave without pay to which the employee is otherwise entitled, and have contributed to the sick leave pool in the year when their illness/injury is not catastrophic.

Eligible employees must apply to the administrator for authorization to use the time in the County sick leave pool. If the administrator determines that the employee is eligible, the administrator will approve the transfer of time from the pool to the employee. A medical certification from the medical provider verifying catastrophic injury or illness may be requested by the County. The time will be credited to the employee and used in the manner as sick leave earned during the course of employment. Sick leave pool requests may be made under the following circumstances:

The employees catastrophic injury or illness as defined in Section 8.05.01.

To care for a spouse or dependent child who is terminally ill. Every request must be approved by Commissioners' Court.

8.05.05 Employees may not use time in the County sick leave pool in an amount that exceeds the lesser of one-third of the total amount of time in the pool or 90 days for their own catastrophic injury or illness or 45 days for the terminal illness of a spouse or dependent child.

8.05.06 An employee absent on approved leave assigned from the County sick leave pool is treated for all purposes as if the employee were absent on approved leave.

8.05.07 The estate of a deceased employee is not entitled to any payment for unused sick leave contributed to or acquired by that employee from the County sick leave pool.

8.06 FAMILY AND MEDICAL LEAVE

8.06.01 General Provisions

Under this policy, the County will grant up to 12 weeks (or up to 26 weeks of military caregiver leave to care for a covered service member with a serious injury or illness) during a 12-month period to eligible employees. The leave may be paid, unpaid or a combination of paid and unpaid leave, depending on the circumstances of the leave and as specified in this policy.

8.06.02 Eligibility

To qualify to take family or medical leave under this policy, the employee must meet all of the following conditions:

- 1) The employee must have worked for the County for 12 months or 52 weeks. The 12 months or 52 weeks need not have been consecutive. Separate periods of employment will be counted, provided that the break in service does not exceed seven years. Separate periods of employment will be counted if the break in service exceeds seven years due to National Guard or Reserve military service obligations or when there is a written agreement, including a collective bargaining agreement, stating the County's intention to rehire the employee after the service break. For eligibility purposes, an employee will be considered to have been employed for an entire week even if the employee was on the payroll for only part of a week or if the employee is on leave during the week.
- 2) The employee must have worked at least 1,250 hours during the 12-month period immediately before the date when the leave is requested to commence. The principles established under the Fair Labor Standards Act (FLSA) determine the number of hours worked by an employee. The FLSA does not include time spent on paid or unpaid leave as hours worked. Consequently, these hours of leave should not be counted in determining the 1,250 hours eligibility test for an employee under FMLA.
- 3) The employee must work in a worksite where 50 or more employees are employed by the County within 75 miles of that office or worksite. The distance is to be calculated by using available transportation by the most direct route.

8.06.03 Type of Leave Covered

To qualify as FMLA leave under this policy, the employee must be taking leave for one of the reasons listed below:

- 1) The birth of a child and in order to care for that child.

2) The placement of a child for adoption or foster care and to care for the newly placed child.

3) To care for a spouse, child or parent with a serious health condition (described below).

4) The serious health condition (described below) of the employee.

An employee may take leave because of a serious health condition that makes the employee unable to perform the functions of the employee's position.

A serious health condition is defined as a condition that requires inpatient care at a hospital, hospice or residential medical care facility, including any period of incapacity or any subsequent treatment in connection with such inpatient care or a condition that requires continuing care by a licensed health care provider.

This policy covers illnesses of a serious and long-term nature, resulting in recurring or lengthy absences. Generally, a chronic or long-term health condition that would result in a period of three consecutive days of incapacity with the first visit to the health care provider within seven days of the onset of the incapacity and a second visit within 30 days of the incapacity would be considered a serious health condition. For chronic conditions requiring periodic health care visits for treatment, such visits must take place at least twice a year.

Employees with questions about what this FMLA policy or under the County's sick leave policy should consult with the Director of Administrative Services.

If an employee takes paid sick leave for a condition that progresses into a serious health condition and the employee requests unpaid leave as provided under this policy, the County may designate all or some portion of related leave taken as leave under this policy, to the extent that the earlier leave meets the necessary qualifications.

5) Qualifying exigency leave for families of members of the National Guard and Reserves when the covered military member is on active duty or called to active duty in support of a contingency operation.

An employee whose spouse, son, daughter or parent either has been notified of an impending call or order to active military duty or who is already on active duty may take up to 12 weeks of leave for reasons related to or affected by the family member's call-up or service. The qualifying exigency must be one of the following: 1) short-notice deployment, 2) military events and activities, 3) child care and school activities, 4) financial and legal arrangements, 5) counseling, 6) rest and recuperation, 7) post-deployment activities and 8) additional activities that arise out of active duty, provided that the County and employee agree, including agreement on timing and duration of the leave.

The leave may commence as soon as the individual receives the call-up notice. (Son or daughter for this type of FMLA leave is defined the same as for child for other types of FMLA leave except that the person does not have to be a minor.) This type of leave would be counted toward the employee's 12-week maximum of FMLA leave in a 12-month period.

6) Military caregiver leave (also known as covered service member leave) to care for an ill or injured service member.

This leave may extend to up to 26 weeks in a single 12-month period for an employee to care for a spouse, son, daughter, parent or next of kin covered service member with a serious illness or injury incurred in the line of duty on active duty. Next of kin is defined as the closest blood relative of the injured or recovering service member.

8.06.04 Amount of Leave

An eligible employee can take up to 12 weeks for the FMLA circumstances (1) through (5) above under this policy during any 12-month period. The County will measure the 12-month period as a rolling 12-month period measured backward from the date an employee uses any leave under this policy. Each time an employee takes leave, the County will compute the amount of leave the employee has taken under this policy in the last 12 months and subtract it from the 12 weeks of available leave, and the balance remaining is the amount the employee is entitled to take at that time.

An eligible employee can take up to 26 weeks for the FMLA circumstance (6) above (military caregiver leave) during a single 12-month period. For this military caregiver leave, the County will measure the 12-month period as a rolling 12-month period measured forward. FMLA leave already taken for other FMLA circumstances will be deducted from the total of 26 weeks available.

If a husband and wife both work for the County and each wishes to take leave for the birth of a child, adoption or placement of a child in foster care, or to care for a parent (but not a parent "in-law") with a serious health condition, the husband and wife may only take a combined total of 12 weeks of leave. If a husband and wife both work for the County and each wishes to take leave to care for a covered injured or ill service member, the husband and wife may only take a combined total of 26 weeks of leave.

8.06.05 Employee Status and Benefits during Leave

While an employee is on leave, the County will continue the employee's health benefits during the leave period at the same level and under the same conditions as if the employee had continued to work.

If the employee chooses not to return to work for reasons other than a continued serious health condition of the employee or the employee's family member or a circumstance beyond the employee's control, the County will require the employee to reimburse the County the amount it paid for the employee's health insurance premium during the leave period.

Under current County policy, the employee pays a portion of the health care premium. While on paid leave, the County will continue to make payroll deductions to collect the employee's share of the premium. While on unpaid leave, the employee must continue to make this payment, either in person or by mail. The payment must be received by Administrative Services by the 10th day of each month. If the payment is more than 30 days late, the employee's health care coverage may be dropped for the duration of the leave. The County will provide 15 days' notification prior to the employee's loss of coverage.

If the employee contributes to a life insurance plan, the County will continue making payroll deductions while the employee is on paid leave. While the employee is on unpaid leave, the employee may request continuation of such benefits and pay his or her portion of the premiums, or the County may elect to maintain such benefits during the leave and pay the employee's share of the premium payments. If the employee does not continue these payments, the County may discontinue coverage during the leave. If the County maintains coverage, the County may recover the costs incurred for paying the employee's share of any premiums, whether or not the employee returns to work.

8.06.06 Employee Status after Leave

An employee who takes leave under this policy may be asked to provide a fitness for duty (FFD) clearance from the health care provider. This requirement will be included in the County's response to the FMLA request. Generally, an employee who takes FMLA leave will be able to return to the same position or a position with equivalent status, pay, benefits and other employment terms. The

position will be the same or one which is virtually identical in terms of pay, benefits and working conditions. The County may choose to exempt certain key employees from this requirement and not return them to the same or similar position.

8.06.07 Use of Paid and Unpaid Leave

An employee who is taking FMLA leave because of the employee's own serious health condition or the serious health condition of a family member must use all accrued leave prior to being eligible for unpaid leave. Accrued leave may be run concurrently with FMLA leave if the reason for the FMLA leave is covered by the established leave policy.

An employee who is using military FMLA leave for a qualifying exigency must use all accrued leave prior to being eligible for unpaid leave. An employee using FMLA military caregiver leave must also use all accrued leave prior to being eligible for unpaid leave.

8.06.08 Intermittent Leave or a Reduced Work Schedule

The employee may take FMLA leave in 12 consecutive weeks, may use the leave intermittently (take a day periodically when needed over the year) or, under certain circumstances, may use the leave to reduce the workweek or workday, resulting in a reduced hour schedule. In all cases, the leave may not exceed a total of 12 workweeks (or 26 workweeks to care for an injured or ill service member over a 12-month period).

The County may temporarily transfer an employee to an available alternative position with equivalent pay and benefits if the alternative position would better accommodate the intermittent or reduced schedule, in instances of when leave for the employee or employee's family member is foreseeable and for planned medical treatment, including recovery from a serious health condition or to care for a child after birth, or placement for adoption or foster care.

For the birth, adoption or foster care of a child, the County and the employee must mutually agree to the schedule before the employee may take the leave intermittently or work a reduced hour schedule. Leave for birth, adoption or foster care of a child must be taken within one year of the birth or placement of the child.

If the employee is taking leave for a serious health condition or because of the serious health condition of a family member, the employee should try to reach agreement with the County before taking intermittent leave or working a reduced hour schedule. If this is not possible, then the employee must prove that the use of the leave is medically necessary.

8.06.09 Certification for the Employee's Serious Health Condition

The County will require certification for the employee's serious health condition. The employee must respond to such a request within 15 days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave. Medical certification will be provided using the DOL Certification of Health Care Provider for Employee's Serious Health Condition.

The County may directly contact the employee's health care provider for verification or clarification purposes using a health care professional, an Administrative Services professional, leave administrator or management official. The County will not use the employee's direct supervisor for this contact. Before the County makes this direct contact with the health care provider, the employee will be given an opportunity to resolve any deficiencies in the medical certification. In compliance with HIPAA Medical Privacy Rules, the County will obtain the employee's permission for clarification of individually identifiable health information.

The County has the right to ask for a second opinion if it has reason to doubt the certification. The County will pay for the employee to get a certification from a second doctor, which the County will select. The County may deny FMLA leave to an employee who refuses to release relevant medical records to the health care provider designated to provide a second or third opinion. If necessary to resolve a conflict between the original certification and the second opinion, the County will require the opinion of a third doctor. The County and the employee will mutually select the third doctor, and the County will pay for the opinion. This third opinion will be considered final. The employee will be provisionally entitled to leave and benefits under the FMLA pending the second and/or third opinion.

8.06.10 Certification for the Family Member's Serious Health Condition

The County will require certification for the family member's serious health condition. The employee must respond to such a request within 15 days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave. Medical certification will be provided using the DOL Certification of Health Care Provider for Family Member's Serious Health Condition.

The County may directly contact the employee's family member's health care provider for verification or clarification purposes using a health care professional, an Administrative Services professional, leave administrator or management official. The County will not use the employee's direct supervisor for this contact. Before the County makes this direct contact with the health care provider, the employee will be given an opportunity to resolve any deficiencies in the medical certification. In compliance with HIPAA Medical Privacy Rules, the County will obtain the employee's family member's permission for clarification of individually identifiable health information.

The County has the right to ask for a second opinion if it has reason to doubt the certification. The County will pay for the employee's family member to get a certification from a second doctor, which the County will select. The County may deny FMLA leave to an employee whose family member refuses to release relevant medical records to the health care provider designated to provide a second or third opinion. If necessary to resolve a conflict between the original certification and the second opinion, the County will require the opinion of a third doctor. The County and the employee will mutually select the third doctor, and the County will pay for the opinion. This third opinion will be considered final. The employee will be provisionally entitled to leave and benefits under the FMLA pending the second and/or third opinion.

8.06.11 Certification of Qualifying Exigency for Military Family Leave

The County will require certification of the qualifying exigency for military family leave. The employee must respond to such a request within 15 days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave. This certification will be provided using the DOL Certification of Qualifying Exigency for Military Family Leave.

8.06.12 Certification for Serious Injury or Illness of Covered Service member for Military Family Leave

The County will require certification for the serious injury or illness of the covered service member. The employee must respond to such a request within 15 days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave. This certification will be provided using the DOL Certification for Serious Injury or Illness of Covered Service member.

8.06.13 Recertification

The County may request recertification for the serious health condition of the employee or the employee's family member no more frequently than every 30 days and only when circumstances have changed significantly, or if the County receives information casting doubt on the reason given for the absence, or if the employee seeks an extension of his or her leave. Otherwise, the County may request recertification for the serious health condition of the employee or the employee's family member every six months in connection with an FMLA absence. The County may provide the employee's health care provider with the employee's attendance records and ask whether need for leave is consistent with the employee's serious health condition.

8.06.14 Procedure for Requesting FMLA Leave

All employees requesting FMLA leave must provide verbal or written notice of the need for the leave to the Director of Administrative Services. Within five business days after the employee has provided this notice, the Director of Administrative Services will complete and provide the employee with the DOL Notice of Eligibility and Rights.

When the need for the leave is foreseeable, the employee must provide the County with at least 30 days' notice. When an employee becomes aware of a need for FMLA leave less than 30 days in advance, the employee must provide notice of the need for the leave either the same day or the next business day. When the need for FMLA leave is not foreseeable, the employee must comply with the County's usual and customary notice and procedural requirements for requesting leave, absent unusual circumstances.

8.06.15 Designation of FMLA Leave

Within five business days after the employee has submitted the appropriate certification form, the Director of Administrative Services will complete and provide the employee with a written response to the employee's request for FMLA leave using the DOL Designation Notice.

8.06.16 Intent to Return to Work from FMLA Leave

On a basis that does not discriminate against employees on FMLA leave; the County may require an employee on FMLA leave to report periodically on the employee's status and intent to return to work.

8.07 MILITARY LEAVE

8.07.01 Employees who are members of the State Military Forces or members of any of the Reserve Components of the Armed Forces of the United States are entitled to leave of absence from their duties, without loss of time, seniority or benefits on all days during which they are engaged in authorized training or duty ordered by proper authority, not to exceed **thirty (30)** days in any one federal fiscal year (October 1, - September 30). Employees will continue to receive pay from the County. Military leave in excess of **thirty (30)** days will be charged to any available accrued leave or leave without pay.

8.07.02 Employees who are ordered to extended active duty with the state or federal military forces are entitled to all of the reemployment rights and benefits provided by law upon their release from active duty.

8.07.03 Requests for approval of military leave must have copies of the relevant military orders attached.

8.08 CIVIL LEAVE

8.08.01 Employees are entitled to civil leave with pay for jury duty, for serving as a subpoenaed witness in an official proceeding, and for the purpose of voting. Employees may retain any fees received for performing jury duty.

8.08.02 When an employee has fulfilled the reason for the civil leave, he or she must report to the County for duty for the remainder of the workday.

8.09 LEAVE OF ABSENCE WITHOUT PAY

8.09.01 Leave of absence without pay is an approved absence from duty in a non-pay status. A leave of absence lasting longer than 30 days must be approved in advance by the department head and the Commissioners' Court. Extensions of leave shall be authorized by the department head and the Commissioners' Court in no more than one month intervals.

8.09.02 Granting a leave of absence without pay is at the discretion of the department head. Such leave is not authorized unless all applicable accrued paid leave has been exhausted and there is a reasonable expectation that the employee will return to employment with the County at the end of the approved period. Approval of the leave must be documented, with a copy of the documentation placed in the employee's personnel file. Employees on leave of absence without pay receive no compensation and accrue no benefits. However, previously accrued leave balances, benefits, and seniority are retained during leaves of absence unless otherwise prohibited by the terms or provisions of the benefit programs. Medical insurance can be continued if the employee pays the premiums (including the County's portion) in full in a timely manner.

8.09.03 A leave of absence without pay may be revoked upon receipt of evidence that the cause for granting the leave was misrepresented or has ceased to exist.

8.09.04 A leave of absence without pay may be appropriate for the following reasons:

1. Military service (see also the section on this type of leave);
2. Educational purposes when successful completion will benefit the County;
3. Public service assignments;
4. Personal exchange programs which emphasize intergovernmental relations; or
5. Any other reason which, in the opinion of the department head, merits a leave of absence without pay.

8.09.05 An employee on leave without pay must contact the appropriate County department head at least monthly to report on his or her status. Failure to provide required status reports or to contact the office on the schedule required by the department head is grounds for revoking the leave and for taking disciplinary action.

8.09.06 A summary of the basis for the decision to grant or deny an unpaid leave of absence and the terms of the leave must be prepared by the department head, or his or her designee, and placed in the employee's personnel file.

8.09.07 Upon returning to work after an authorized leave of absence without pay, an employee receives an adjusted employment date and adjusted anniversary date which reflect the period of time that the employee used for the leave of absence. This adjusted date will be used for the purpose of calculating vacation leave accrual and other benefits that may be based on longevity.

8.10 INJURY LEAVE

8.10.01 For information on occupational disability or injury leave for bona fide on-the-job, work-related injuries, see sections in this manual under the main heading Health and Safety.

8.11 ADMINISTRATIVE LEAVE

8.11.01 In cases of bad weather (ice, hurricanes, flooding, etc.), the official or department head will determine the closure of County offices. The safety of employees and possible endangerment in attempting to report to work will be considered. Should a determination be made that reporting to work will endanger County employees; employees will be fully compensated for approved time away from work during normal working hours.

Employees are to contact their supervisors and obtain information concerning closures through local forums of the media (radio and television stations). Under this policy employees will not be compensated for time away from work that was not declared a bad weather day by the official or department head.

8.12 BEARVEMENT LEAVE

8.12.01 When a death occurs in an employee's immediate family, all regular full-time employees may take up to 24 hours with pay to attend the funeral or make funeral arrangement. The pay for time off for a part-time employee should not total more than the employees regularly scheduled hours for scheduled work days. The County may require verification of the need for leave.

8.12.02 Immediate family members are defined as an employee's spouse, parents, stepparents, siblings, children, stepchildren, grandparent, father-in-law, mother-in-law, brother-in-law, sister-in-law, daughter-in-law or grandchild.

8.13 ABANDONMENT OF POSITION

8.13.01 Unauthorized absence from work may result in termination at the discretion of the official or department head.

8.14 MOTHER FRIENDLY WORKPLACE

Purpose

This policy establishes a "Mother-Friendly" employee worksite lactation support program for Victoria County in accordance with Section 7 of the Fair Labor Standards Act of 1938 (29 U.S.C. 207), Texas Health and Safety Code Title 2, Chapter 165- Breast-Feeding, and House Bill 786.

Time and Leave

- 1) Work schedule flexibility will be provided to accommodate reasonable break time for an employee to express breast milk for her nursing child, each time such employee has a need to express the milk. Employees who wish to express milk during the workday must coordinate break times with their supervisor.
- 2) Breastfeeding employees are allowed to express milk during work hours using their break times and meal times. Lactation time beyond regular break/meal times will be negotiated between the employee and their supervisor. Flexed time, accrued paid leave, or unpaid leave may be used if approved by the employee's supervisor.

Space and Storage

- 3) Victoria County will provide a private area, other than a bathroom, for lactating mothers to express breast milk.
- 4) The space provided will have a safe water source and a sink within reasonable distance from the lactation space.
- 5) Employees may store their expressed milk in their own personal coolers with ice packs, or in a shared break room refrigerator space.

9.00 HOLIDAYS

9.01 GENERAL POLICY

9.01.01 Each year, the Commissioners' Court designates the paid holidays for County employees. A memo will be distributed early each year to let employees know which holidays have been designated as paid time away from work. Typically, these holidays include:

New Year's Day
Martin Luther King Jr. Day
President's Day
Good Friday
Memorial Day
Independence Day
Labor Day
Veteran's Day
Thanksgiving Day and the following Friday
Christmas Eve and Christmas Day

9.01.02 Temporary employees are not paid for holidays not worked.

Regular part-time employees who work a minimum of 20 hours but fewer than 40 hours will receive four hours of leave per holiday. In all cases the combination of worked hours and holiday leave will not result in the accrual of overtime.

9.01.03 An employee who is absent without approved leave on the workday immediately preceding or following a holiday will not be paid for the holiday.

9.02 HOLIDAY DURING APPROVED LEAVE

9.02.01 If an official holiday falls within a regular employee's approved paid time off the employee will be granted the holiday and not charged paid time off.

9.03 WORK DURING HOLIDAYS

9.03.01 If the department head finds it necessary to do so, he or she may direct some or all employees of a department to report for work on any holiday. Regular employees will be either given an alternate day off or for public safety employees paid time off accruals include holiday leave.

9.03.02 Unused holiday leave is canceled upon termination of employment, without compensation to the employee.

10.00 HEALTH AND SAFETY

10.01 SAFETY POLICY

10.01.01 It is the policy of the County to make a concentrated effort to provide healthful and safe working conditions for all of its employees.

10.02 EMPLOYEE RESPONSIBILITIES AND REPORTS

10.02.01 Employees are responsible for conducting their work activities in a manner that is protective of their own health and safety, as well as those of other employees.

10.02.02 An employee must report every on-the-job accident, no matter how minor, to his or her supervisor immediately, if able. The supervisor is responsible for filing a written accident report immediately with the department head or his designated representative.

10.02.03 Failure to report an on-the-job injury, no matter how minor, is grounds for disciplinary action.

10.03 EMPLOYEE SAFETY SUGGESTIONS

10.03.01 An employee will report immediately to his or her immediate supervisor any conditions that, in the employee's judgment, threaten the health and safety of employees or visitors.

10.03.02

Employees are encouraged to make suggestions to their supervisors for improvements that would make the County a safer or more healthful place to work.

10.04 ON-THE-JOB INJURIES

10.04.01 The County provides workers' compensation insurance for all of its employees. This insurance provides medical expenses and a weekly payment if an employee is absent from work because of a bona fide, on-the-job work-related injury for more than seven days. Employees who are absent from work because of a bona fide, on-the-job work-related injury for more than seven days are considered on injury leave.

All workers' compensation insurance claim forms must be submitted to the designated responsible staff member immediately for appropriate action to be taken. The responsible staff member must notify the department head immediately upon receipt of a claim.

10.04.02 An employee who sustains a bona fide, on-the-job work-related injury may seek medical attention from a TWCC approved medical facility or physician. After a medical professional has been selected, an employee may not change medical providers without the permission of the Texas Workers Compensation Commission. Additional information regarding this requirement is available in the Administrative Services Department.

The County encourages employees to return to work as soon as they are able to do so. An employee returning to work must submit a physician's statement of medical condition and release to return to work. As determined by the department head, at the County's expense, an employee may be required to submit to examination by an independent physician.

10.04.03 Injury leave begins on the first scheduled workday of absence due to an on-the-job injury and continues until the employee returns to work, his or her eligibility expires, or the employee is removed from injury leave coverage by the County.

10.04.04 When an employee sustains a bona fide on-the-job work-related injury which renders him or her unfit for performing the duties of the job, and if accrued sick leave is available, the employee is placed on sick leave status and receives full pay less legal deductions from the County for seven days.

Employees engaged in law enforcement duties who sustain a bona fide on-the-job work-related injury in the course of their official law enforcement duties are not required to use accrued sick leave for the first seven days and will receive full pay less legal deductions from the County.

10.04.05 Injury leave may be terminated at any time without prior notice. The department head will terminate the injury leave upon receipt of evidence that the employee, while able to return to work, has not done so.

10.04.06 To continue medical or dental insurance when the employee is on injury leave and no longer receiving a regular paycheck, the employee must pay the employee's portion of these insurance premiums to the County on the schedule established by the County's Administrative Services Department.

10.04.07 Injuries caused by willful intent and attempt to injure self or to unlawfully injure another, intoxication, or act of a third party for personal reasons are excluded specifically from coverage by injury leave with pay.

If a County employee is injured on the job while in the course of employment outside his or her employment with the County, the employee may not file a workers' compensation claim against the County for benefits related to the injury and is excluded from health benefits which arise out of or in the course of employment for wages or profit with any other employer.

10.04.08 While on leave because of a bona fide, on-the-job work-related injury, each time the employee sees the doctor for consultation or treatment, he or she must provide a progress report to the department head, or his or her designee who will forward the report to the Director of Administrative Services. Any change in the employee's condition which might affect his or her entitlement to workers' compensation payments must also be reported to the department head, or his or her designee. In addition, the injured employee must contact his or her supervisor periodically, on a specific schedule, to report on his or her condition. Failure to provide the required medical status reports or to contact the supervisor on the schedule required by the department head, or his or her designee, is grounds for revoking the employee's leave and for taking disciplinary action.

10.04.09 A written statement from the attending physician certifying the employee has been released to return to work and specifying the type(s) of work he or she is capable of performing as well as any limitation(s) must be received by the County before an employee may return to work. All employees on injury leave must return to work after approval of either the employee's attending physician or an independent physician paid by the County. Failure to return to work when directed will result in appropriate disciplinary action. Upon receipt of a release to return to work, the County may require the employee to submit to a medical examination to determine whether the employee can perform the essential functions of his or her position, with or without reasonable accommodation. The County's efforts to reasonably accommodate the employee will be conducted in accordance with applicable law.

10.04.10 During the course of an on-the-job injury leave of absence, if an employee is released by his or her physician for light duty, the employee's job or alternative job assignment(s) will be evaluated for a determination of whether a temporary position is available in which the County can use the employee's limited services for an interim period of time.

If no acceptable light duty assignment can be found, the employee will be placed on inactive status until released by the physician and workers' compensation to return to his or her previous job.

An employee who is able to return to work on light duty status may be required to work in a different department and perform duties not contained within his or her current job duties. When an employee is assigned to light duty status and performing different duties, he or she will be paid according to the level of pay that is appropriate for the light duty job assignment. A light duty assignment cannot exceed 90 days. In addition, the employee will receive workers' compensation payments in a reduced amount.

10.04.11 At the time of final release or settlement of a workers' compensation claim, the employee must furnish the County with a certificate from the employee's physician stating the status of the employee's physical condition and an anticipated return to work date.

10.05.05 Refusal to give written consent for a drug screening test will disqualify the candidate from consideration for employment.

10.05.07 In furtherance of the objectives of this policy department heads may search all County owned, leased, or operated premises, vehicles, work areas, desks, lockers, etc. to detect violation of this policy. Employees shall have no expectation of privacy regarding the above described County property and premises.

10.05.08 A violation of this policy may subject the employee to termination or suspension, at the discretion of the individual department head.

In lieu of termination or suspension the department head may require that an employee complete a treatment or counseling program as condition of continued employment.

11.00 USE OF COUNTY OF VICTORIA'S PROPERTY

Vehicles owned or leased by the County are for County use only, unless a specific agreement exists regarding use of a vehicle as part of an employee's compensation package. Violations of this policy may result in dismissal and possible prosecution.

11.02.03 A department head may impose additional requirements for the use of County property, materials, supplies, tools or equipment. If an employee is in doubt about a circumstance, he or she must check with his or her department head before proceeding.

11.03 VALID DRIVER'S LICENSE

11.03.01 All operators of County vehicles or their own personal vehicle on County business are required to have a valid driver's license necessary for legal operation of that vehicle in the State of Texas and to keep their supervisors informed of any change of status in their license. Supervisors periodically will check the driving records of all employees who operate County vehicles or are required to drive personal vehicles on County business. Failure to maintain a safe driving record may result in disciplinary action up to and including dismissal.

11.03.02 Suspension or revocation of the driver's license of an employee who operates a County vehicle, or is required to drive a personal vehicle regularly on County business, may result in a demotion or dismissal.

11.04 VEHICLE INSURANCE

11.04.01 The County maintains insurance coverage on all vehicles owned or leased by the County. Employees who drive a personal vehicle on County business are required to have automobile liability insurance as required by the State of Texas and to maintain insurance coverage. Each employee to whom this provision applies will furnish the County proof of appropriate insurance coverage at least annually and at such time(s) as coverage changes occur. Failure to meet any of these requirements may result in disciplinary action up to and including dismissal.

Such supervisory practices include administering corrective action when employee conduct or performance problems arise. Major elements of this policy include:

1. Constructive effort by the supervisor to help employees achieve full satisfactory standards of conduct and job performance;
2. Correcting employee shortcomings or negative behavior to the extent required;
3. Notice to the employees through communicating this policy that discharge will result from continued or gross violation of employee standards of conduct or unsatisfactory job performance;
4. Written documentation of disciplinary warnings given and corrective action taken; and
5. Documentation of corrective action will become part of the employee's personnel record.

12.02 OPTIONS FOR CORRECTIVE ACTION

12.02.01 Depending on the facts and circumstances involved in each situation, the official, department head or supervisors may choose to begin corrective action at any step up to and including a recommendation for immediate dismissal.

1. **Oral Warning** - For infractions the County deems to be minor, the employee should at a minimum be issued an oral warning. If the situation does not improve within a reasonable time as determined by the official, department head or supervisor, the measure may be repeated or a more serious option implemented.
2. **Written Warning** - For repeated minor infractions, or a more substantial infraction, the employee should at a minimum be issued a written warning notice. If the situation does not improve immediately and is not sustained, steps may be taken to terminate the employment.

The written warning should be prepared following a corrective action discussion with the employee. The written warning should include: (1) the policy or rule violated or a description of the unacceptable behavior; (2) date(s), time(s) and location(s) of the offense; (3) the facts surrounding the incident; (4) specific actions the employee must take to correct the matter; (5) the time frame (if applicable); and (6) the consequences if not corrected. The employee will be given an opportunity to comment in writing and should be asked to sign the notice, acknowledging the receipt. Failure by the employee to sign the written warning form does not remove the disciplinary action.

3. **Suspension** - In certain instances, it is appropriate for employees to be suspended. These instances could include but are not limited to: (1) prior to terminating an employee for performance related issues; and (2) events compel a supervisor to take immediate action when discharge appears possible, pending an investigation. During a suspension the employee will be required to leave County premises immediately. A suspension/investigation will last no longer than three days, except in highly unusual circumstances.
4. **Termination** - For infractions management deems to be sufficiently serious or continued failure to respond appropriately to prior corrective action, termination of employment is appropriate.
